**Subject: No Objection Certificate for UK Visit of Mirza Noor Al Sharif Shadab.**

Dear Sir/Madam,

I am writing to confirm that **MIRZA NOOR AL SHARIF SHADAB (DOB: 13/10/2009, Passport No: A05575227)** is a student of **Gangkul Panchagram Adarsha High School**. He is currently appearing in his Secondary School Certificate (SSC) Examinations under the Sylhet Education Board, which are scheduled to conclude on 20 May 2026.

Upon completion of the examinations, he will not be required to attend school, as there are no further academic obligations until the SSC results are published and the subsequent HSC college admission process begins.

During this post-examination gap period, **SHADAB** intends to visit the United Kingdom for approximately six (6) weeks for leisure and educational exposure with his parents. We have no objection to this visit and confirm it will have no impact on his academic standing or progression.

He has been a good student with satisfactory academic performance and good character, showing respectful behaviour towards teachers and classmates. We are confident that he will comply with all visa conditions and return to Bangladesh to continue his higher education as planned.

This letter is issued for UK visit visa application purposes only.

Yours faithfully,

*Ashraf*
